DETAILS

A2-500 is an arm protective sleeve made from aramid yarns. This sleeve has a steady performance A2/B cut protection which can protect arms from being cut by biting blades, sharp branches, and pet scratches. The aramid liner protects the user from flame/heat. This sleeve is light in weight and makes the user feel soft, flexible, and breathable. A2-500 is widely used in general mechanical working areas.

| PRODUCT DESCRIPTIONS | |
|----------------------|--|
| Series | Arm Protection |
| Available Size | 14", 18", 22" (other options are available upon request) |
