CAT. II

DETAILS

B-113 is a protective glove made from a 13-gauge polyester and latex coating with crinkles. The characteristics of latex are excellent gripping in either a dry or wet environment and resisting water. The crinkle surface on the palm enhances the grip compared to the smooth surface. This glove is widely used in light working areas, such as cleaning and packaging.

PRODUCT DESCRIPTIONS	
Series	Latex
Available Size	7-8-9-10-11
Liner Material	Polyester
Liner Color Available	Black (other options are available upon request)
Coating	Crinkle latex
Coating Color Available	Black (other options are available upon request)
