Product Data Sheet

DETAILS

B-115 is a protective glove made from a 15-gauge nylon/spandex and sandy latex coating. The nylon and spandex fibers let the user feel the glove drape on the hands. The characteristics of latex are excellent gripping in either a dry or wet environment and resisting water. This glove is breathable and has high dexterity. B-115 is widely used in general working areas.

PRODUCT DESCRIPTIONS	
Series	Latex
Available Size	7-8-9-10-11
Liner Material	Nylon/Spandex
Liner Color Available	Blue, grey, red (other options are available upon request)
