| ANSI Cut Resistant | Level A4 |
| EN 407 Thermal Protection | X1XXXX |

DETAILS

B4-701 is a split cow leather glove made from the 13-gauge HPPE/Glass liner. It has a steady performance A4/D cut protection and puncture resistance. Meanwhile, the aramid stitched on the palm and thumb crotch increased the user's protection from flame/heat. This glove provides good grip in all environments and oil resistance. It also offers high dexterity and is breathable. B4-701 is widely used in heavy-duty construction.

| PRODUCT DESCRIPTIONS | |
|----------------------|--|
| Series | Uncoated or Sewn |
| Available Size | 7-8-9-10-11 |
| Material | HPPE/Glass/Split Cow Leather |
