# Product Data Sheet

## DETAILS

P-500 is an arm protective sleeve made from a cooling polyester/spandex fabric blend. This slim-fitting sleeve provides UV protection and blocks harmful sun rays to prevent sunburns and skin damage. It also features fast absorption, quick-drying properties, breathability, and moisture-wicking capabilities to keep you cool and fresh all day. The P-500 model is widely used by outdoor workers and individuals engaged in sun-exposed activities.

PRODUCT DESCRIPTIONS	
Series	MAXGUARD
Available Size	14", 18", 22" (other options are available upon request)
Material	Polyester/spandex
