OEKO-TEX standard 100	PASS

DETAILS

B-622L is a highly versatile work glove from our PolyMAX® series, featuring a polyester fabric liner for excellent elasticity and shape retention. Its Bio-PolyMAX® coating provides superior UV resistance and maintains performance even under prolonged sun exposure, while the sensitive touchscreen function adds everyday convenience. Combining elasticity, UV protection, and sensitive touch, B-622L is an ideal choice for outdoor operations, utility work, and general maintenance.
