Product Data Sheet

DETAILS

EZ-324FD is a protective glove made from an 18-gauge nylon spandex liner and an EZGrip fully dipped coating. The glove is designed to deliver excellent water and oil repellency, while remaining the perfect mechanic performance and functions. The full coating keeps hands clean and provides outstanding grip in dry and oily conditions. It also features ultra-high abrasion resistance, a perfect fit, excellent tactile feel, and touchscreen capability. This glove is widely used in general mechanical protection, particularly in dry and oily environments. It aimed to be a guideline for the user's glove choice.
