Product Data Sheet

DETAILS

EZ-336 is a protective glove made from an 18-gauge cooling nylon liner with a mechanism. The glove is designed to deliver an exceptional cooling experience, featuring a Q-MAX value of 0.319 and long-lasting freshness and odor control. Made with cooling nylon fibers, its 18G knit ensures superior breathability and flexibility, keeping hands cool, dry, and comfortable during long hours. It also features touchscreen capability, making it perfect for precision tasks where coolness matters.
