OEKO-TEX Standard 100	Pass

Product Data Sheet

DETAILS

EZK5-324 is a cut-resistant glove made of 18 Gauge seamless TekArmor®/Nylon/spandex fiber liner and palm dipped in black EZGRIP® coating. High performance yarns and fibers that offer cut protection while maintaining high levels of comfort. It offers high dexterity and air permeability as well. At the same time, this glove also has a screen-touching function. Compared with ordinary gloves, EZK5-324 has better protection and more functions. This glove is widely used in general mechanical protection, for example, packaging, cleaning, and electronic assembly.
