## DETAILS

P-336 is a protective glove made from an 18-gauge cooling nylon liner and a premier bio-soft PU coating. The glove is designed to deliver an exceptional cooling experience, featuring a Q-MAX value of 0.319. Made with cooling nylon fibers, its 18G knit ensures superior breathability and flexibility, keeping hands cool, dry, and comfortable during long hours of work. It also features touchscreen capability, making it perfect for precision tasks where coolness matters. It aimed to be a guideline for the user's glove choice.
