Product Data Sheet

DETAILS

WB-600 is a high-dexterity thermal work glove from our PolyMAX® series, featuring a dual-layer 15G nylon and 10G polyester warm lining for reliable insulation in cold conditions. Its Bio-PolyMAX® coating maintains performance and flexibility even under extreme low temperatures, while the touchscreen-compatible fingertips add everyday convenience. Combining warmth, flexibility, and lightweight comfort, WB-600 is an ideal choice for cold storage logistics, winter facility operations, and light industrial applications.
